

**Lateral move system
catch can data**

Land user _____

Date _____

Field office _____

The form consists of a large grid of small squares. A horizontal line is drawn across the grid, approximately one-third of the way from the bottom. The word "Lateral" is printed in the left portion of the grid, just above the horizontal line. The word "flow" is printed in the right portion of the grid, also just above the horizontal line. The grid is otherwise empty.
